TEKMEC
SWITCHGEAR & CONTROLS

About Tekmec Switchgear & Controls

Introduction

Established in 2012 and headquartered in New Delhi, Tekmec Switchgear & Controls is committed to excellence. Specializing in manufacturing and supplying premium products customized to meet diverse customer requirements, we proudly serve clients across India and internationally, including in the Middle East and Africa.

Rotary Switches

Limit Switches

Control & Signalling
Devices

Push Button Stations
and Junction Boxes

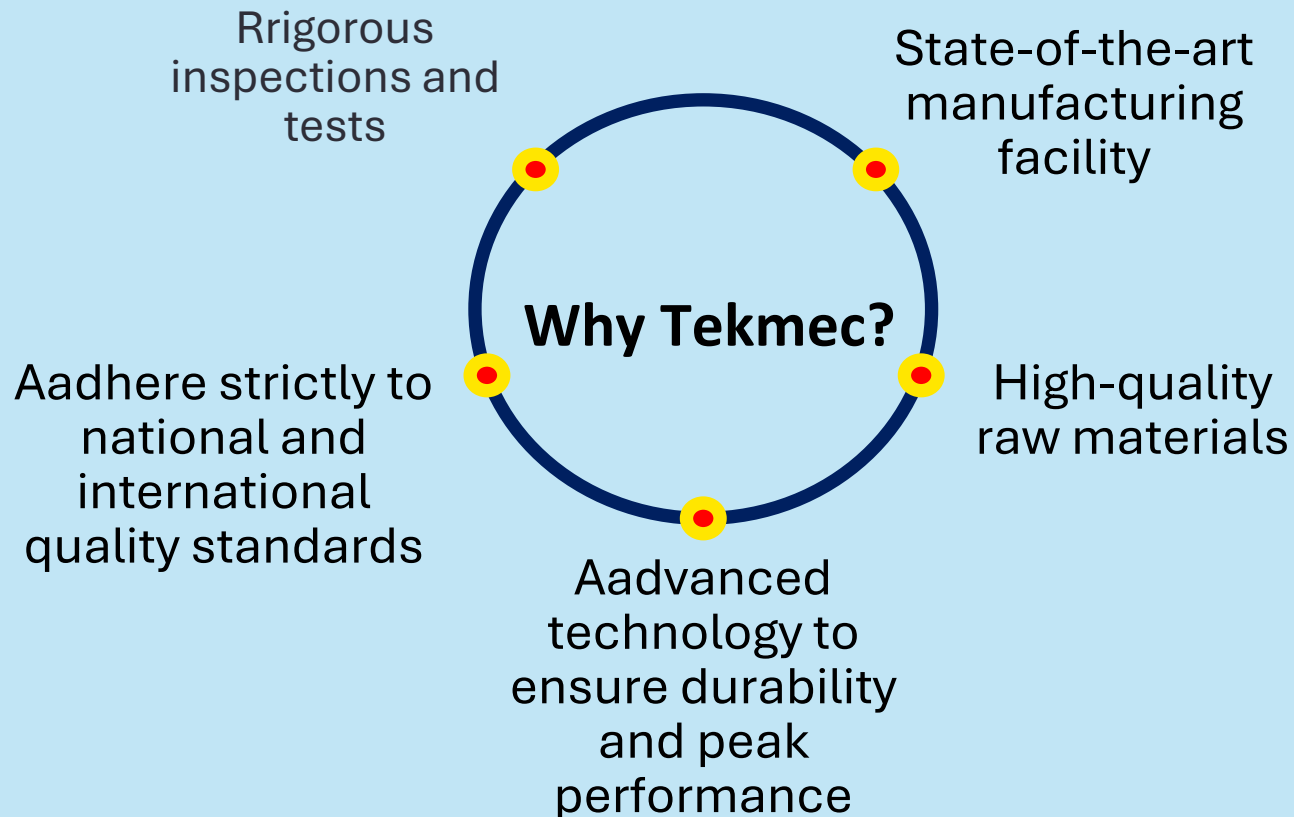

Hooters and electronic
Buzzer

Fuse Holder and Fuse
Base

Our Top Customers

Each product is meticulously crafted in our fully equipped manufacturing unit, utilizing optimal-grade raw materials sourced from reliable vendors

At Tekmec we take pride in:

Superb performance

Optimum efficiency

Sturdy construction

Low power consumption

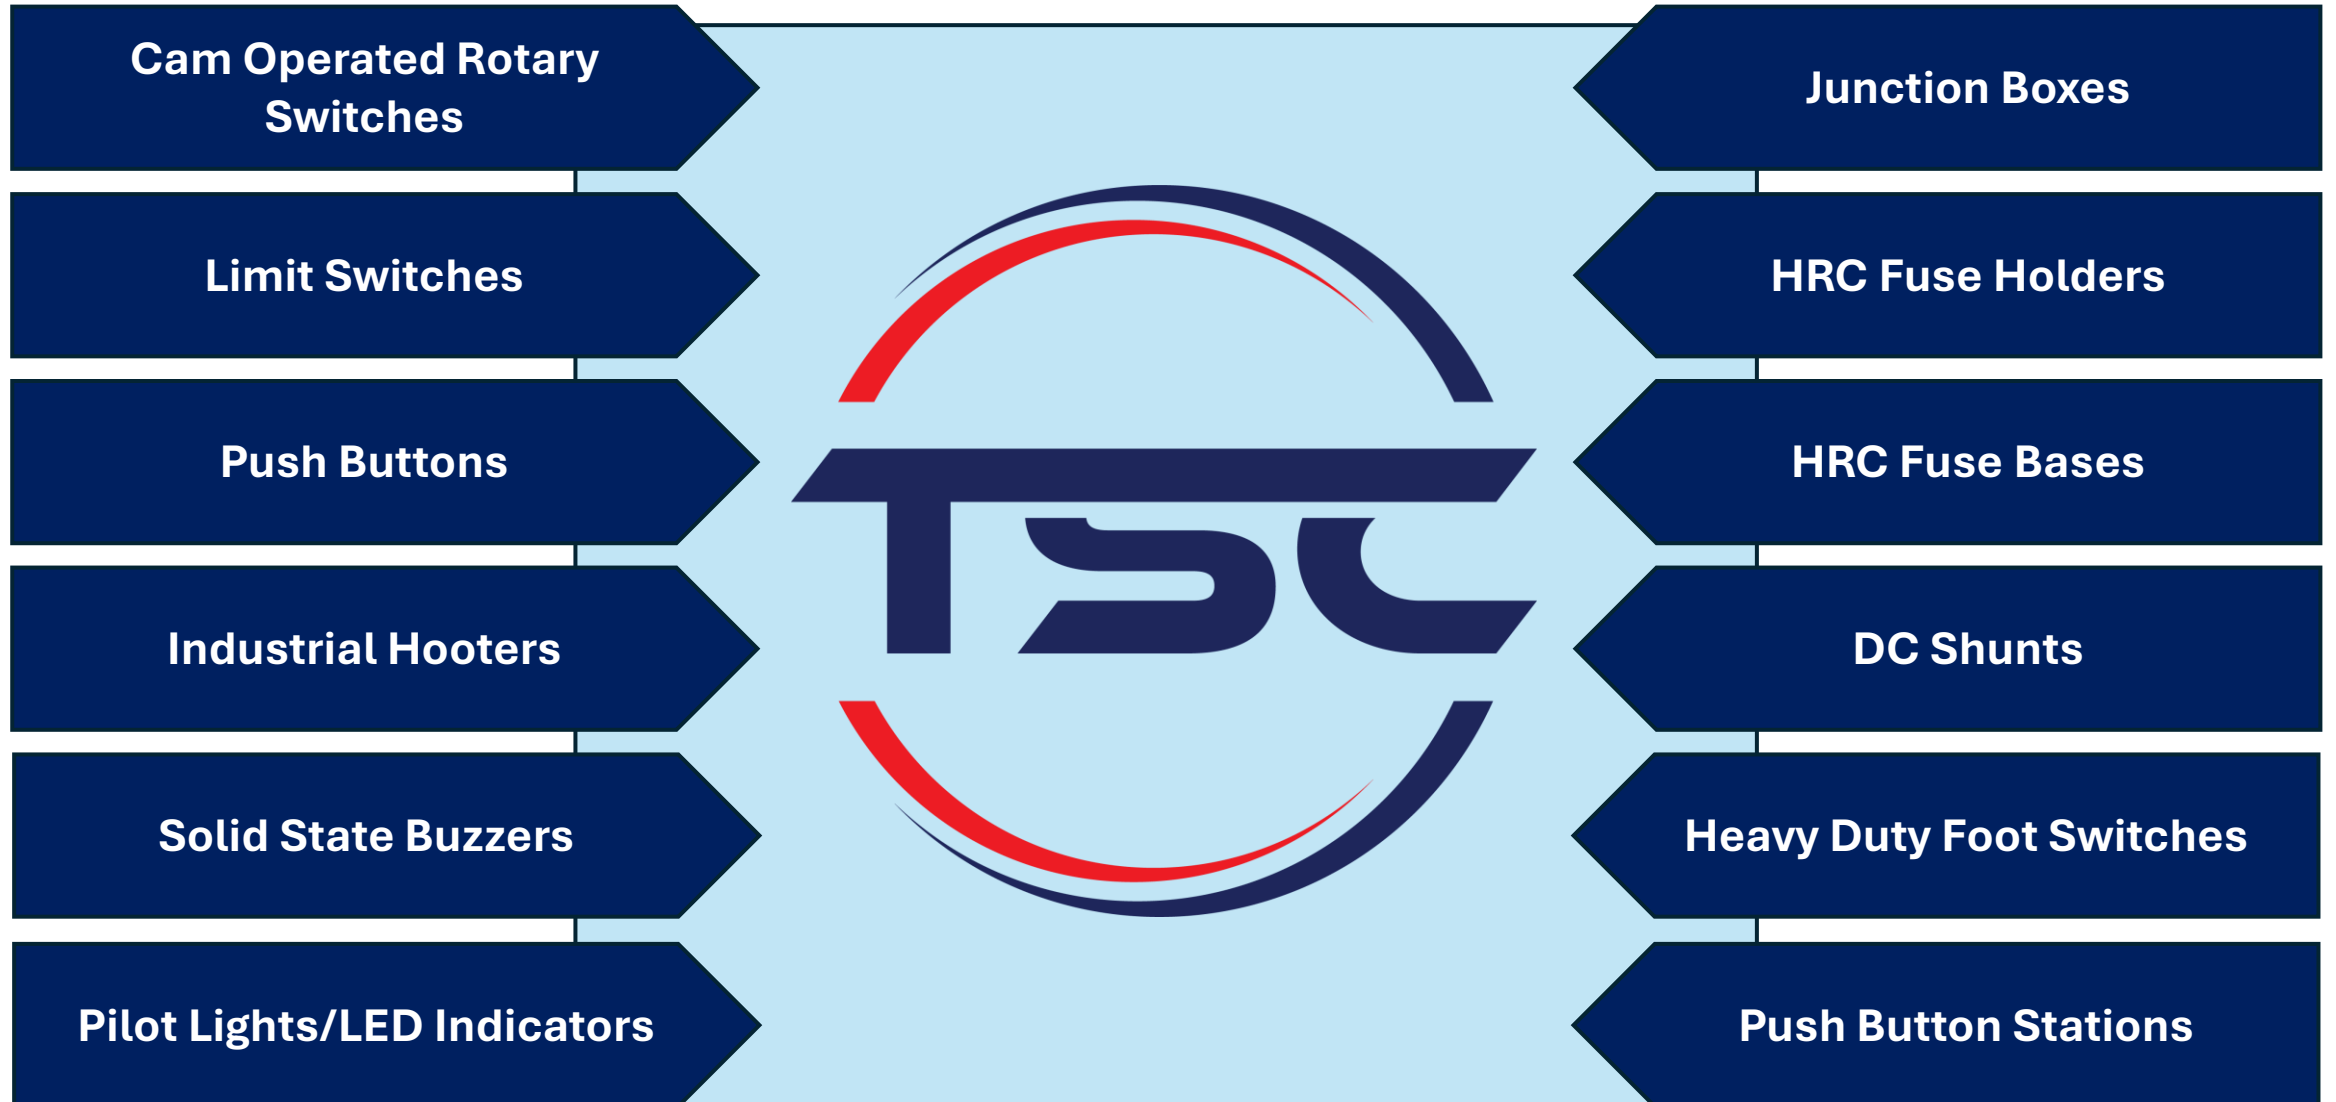

Extended service life

Consistent quality

Sufficient storage space for raw material and finished goods

About Tekmec Switchgear & Controls

Our Product Range

Cam Operated Rotary Switches

Limit Switches

Push Buttons

Industrial Hooters

Solid State Buzzers

Pilot Lights/LED Indicators

Junction Boxes

HRC Fuse Holders

HRC Fuse Bases

DC Shunts

Heavy Duty Foot Switches

Push Button Stations

About Tekmec Switchgear & Controls

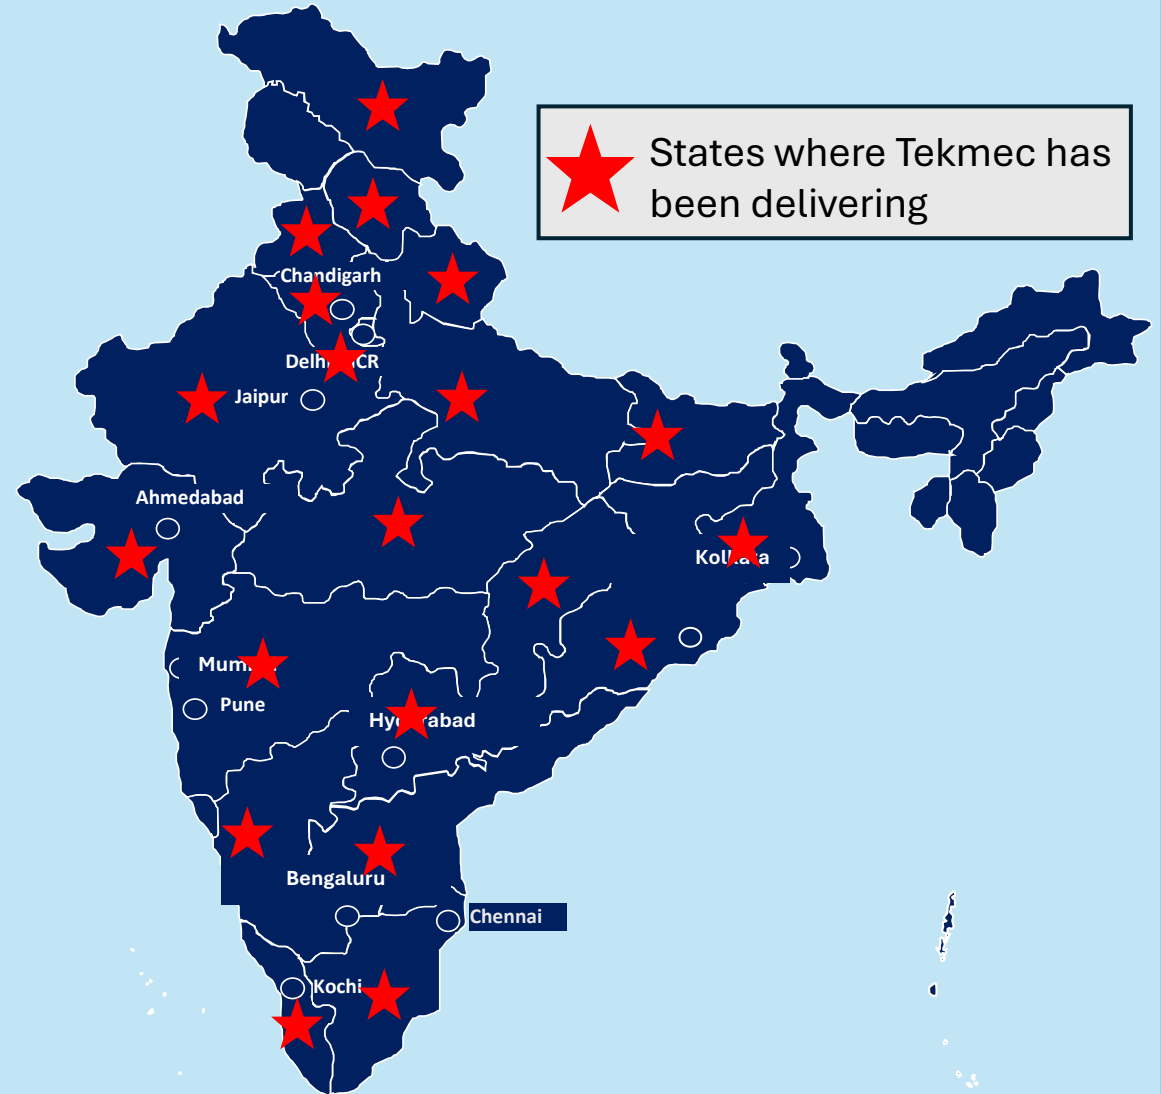

Our Reach Across India

Tekmec's key differentiator lies in its extensive national customer base, spanning over 19 states since its establishment.

This broad outreach has not only enhanced the company's profitability but also cemented its reputation as a trusted leader in delivering superior products. Some of the states with highest number of customers are:

- | | | | |
|---|---------------|---|-----------|
| 1 | West Bengal | 4 | Haryana |
| 2 | Uttar Pradesh | 5 | Rajasthan |
| 3 | Maharashtra | 6 | Gujarat |

Manufacturing and Testing Facility

Manufacturing Facility

At Tekmec Switchgear & Controls, all our products are manufactured In-house as per national and international standards and marketed by us under Tekmec brand.

Tekmec's unique selling proposition lies in its extensive inventory of over 50 cutting-edge machines. These machines have been instrumental in enabling the company to achieve its objectives of maintaining high quality standards and ensuring timely production. Key machines worth noting include:

1 Injection Moulding Machines
– 80 gm; 60 gm; 40 gm

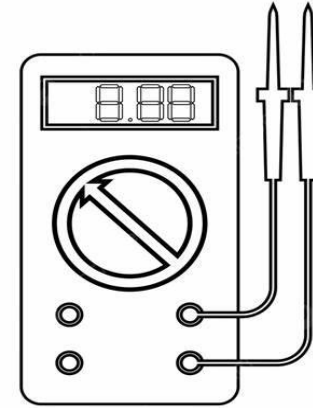

2 Pad Printing Machine

4 Power Press

3 Impact Press

5 Tool Making Machine:
- Lathe Machine
- Milling Machine
- Surface Grinder
- Drill Machine
- Tapping Machine

We conduct all routine tests in strict adherence to IS/IEC standards. Our in-house testing equipment includes a HV Tester, IR Tester, Glow Wire test apparatus, Temperature Rise test equipment, Endurance Test setups, Micrometre Multi Meter, Lux Meter evaluations, and db meter.

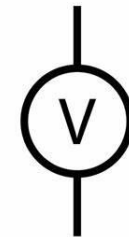

Products at Tekmec undergo testing at recognized NABL accredited laboratories in India, conforming to applicable IS/IEC standards.

We possess an AC voltage source and a DC voltage test source for evaluating electrical performance across different parameters. We also conduct continuity tests to verify seamless connectivity in our products. Additionally, we utilize specialized apparatus for damp and heat testing.

Subject: Enlistment with EIL

Dear Sirs,
 We refer to your application on subject matter and are pleased to inform that you have been enlisted with EIL for the items as described below:-

Item Description	Material /Range
Control Stations- Weatherproof	All range
Control Switches / Selector Switches	Up to 100 A
Push Button and Indicating Lamps	All range

(This enlistment is valid for your works located at 18 & 19A, Oberoi Compound, Dilshad Garden, Industrial Area, G.T. Road, Delhi-110095)

Kindly note enlistment with EIL does not guarantee any regular flow of enquiries. For information on enquiries issued by EIL, kindly refer our Tender Website (<https://tenders.eil.co.in/>) / CPP portal (<https://eprocure.gov.in/cppp/>). In the event of direct / indirect orders for the projects executed by EIL, supplier shall quote/submit offer and supply material strictly as per the material / range / works as stated above including agreed responsibility matrix, as applicable. Secondly, kindly keep on submitting your regular quotes for EIL RFQ's falling which, EIL shall be entitled to declare you as Dormant supplier as per the Terms and Conditions for enlistment.

Any change in the product range, location of Works/Sales Office, Management/ Organization structure etc., shall be intimated to us immediately along with relevant document for our necessary action. Further, kindly update your contact details on regular basis so that you may keep on receiving EIL communications. Also, kindly ensure submission of your Audited Annual Report on yearly basis to enable us update your latest financial data.

Please note that this enlistment is subject to satisfactory execution of orders in delivery and quality of above items when ordered for various projects of EIL/our clients. You are expected to adopt ethics of highest standard and a very high degree of integrity, commitment & sincerity towards the work undertaken for projects under EIL execution, failing which, EIL shall be entitled to initiate actions as specified in EIL procedure for Suspension/Banning of business dealings, displayed on EIL website.

 Delivering Excellence Through People

Super Pannel is dedicated to advancing power distribution through specialized engineering services. We cater to industries like power, chemicals, food, housing, and railways, ensuring adherence to the latest standards. Our commitment to quality, innovation, and customer satisfaction is reflected in our motto: “Honesty, Hard Work, and Dedication.” We strive to provide economical and value-added solutions with modern design, installation, and commissioning practices.

Quality Assurance System

All raw materials, including switchgear, undergo rigorous testing.

“Stage inspections” are conducted in four stages to ensure even minor issues are identified and resolved early.

“Final testing” is thoroughly performed using calibrated instruments and gauges.

Testing is conducted according to harmonized national and international standards, including IEC 429 and IS 8623.

Our Ancillary Firm

Super Pannel Pvt Ltd. – List of Machinery

At Super Pannel, our exceptional quality and products are the direct outcome of our in-house machinery. This capability not only sets us apart from competitors but also ensures we retain existing customers while attracting new ones.

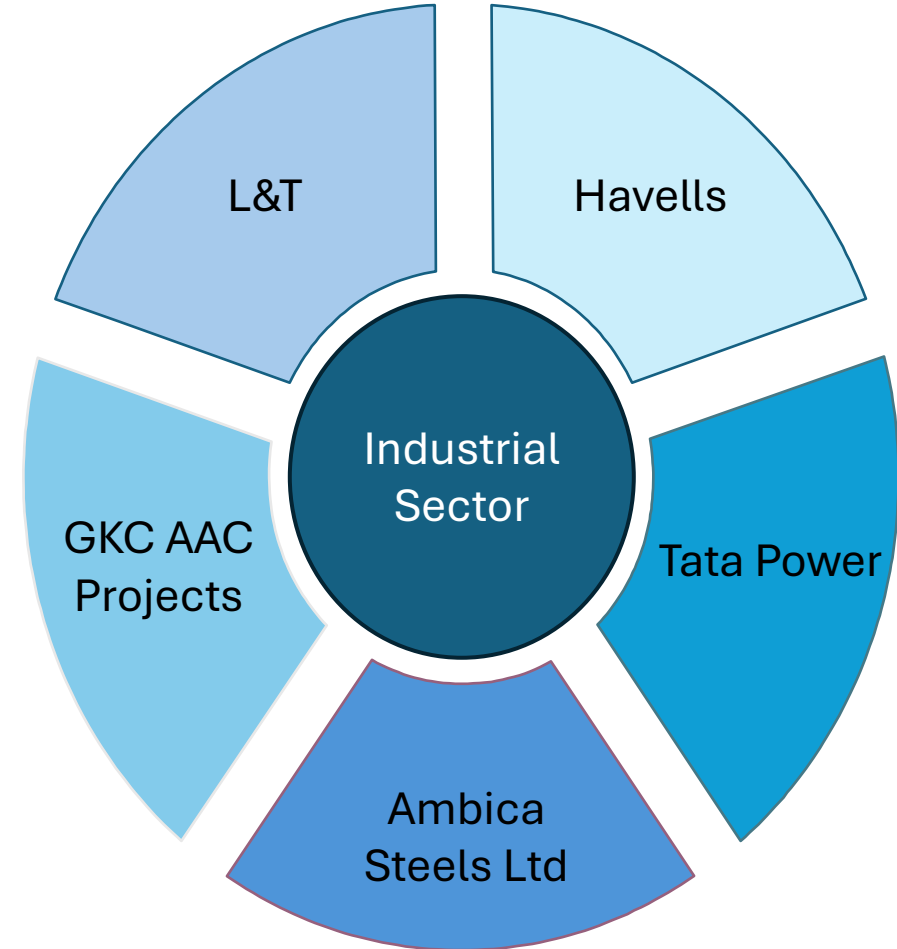

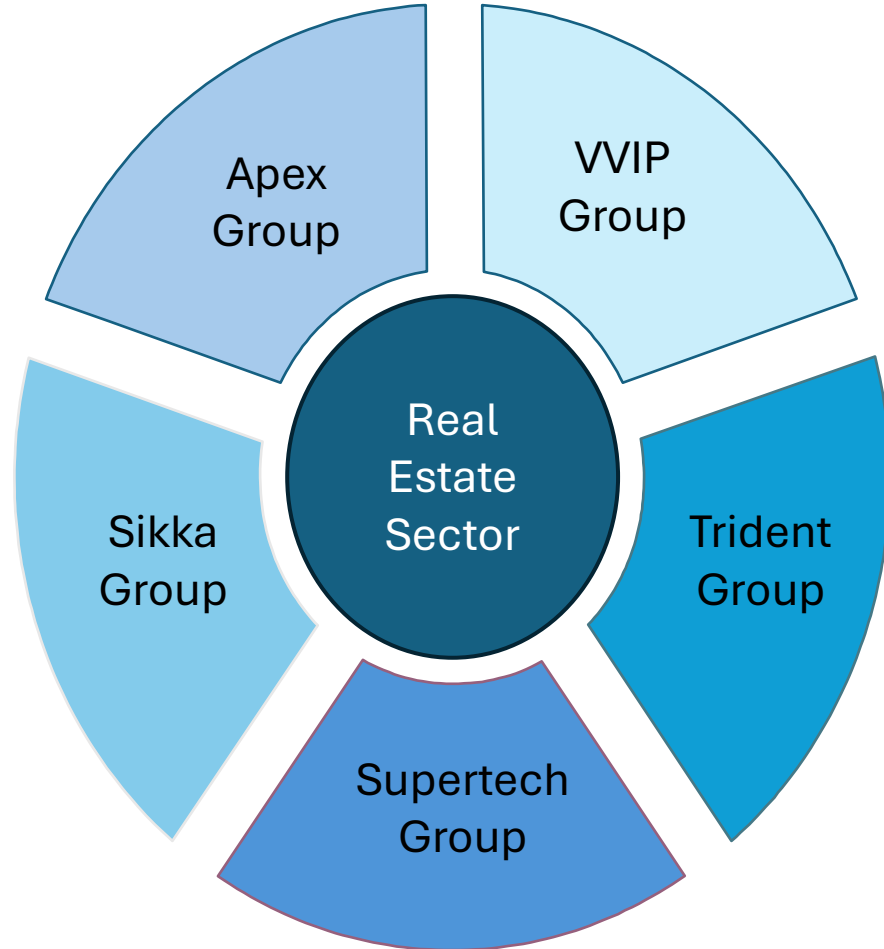

1	N.C. Automatic Shoring Machine	9	Automatic Ferruling Machine (Wiring)
2	C.N.C. Break Press	10	Automatic Bus bar bending, Cutting And Punching Machine
3	Power Presses (25,40,60,80, 100)	11	Bus Bar Bending Machine (Arco Whitney, Uni Punch)
4	Hydraulic Searing	12	Bus Bar Cutting Machine (Arco Whitney)
5	Hydraulic Break Press	13	Bus Bar Punching Machine (Arco Whitney)
